

# Why AWA?

Hotel AWA is located in the Chilean Patagonia, just 20 minutes from Puerto Varas, in the area of Vicente Pérez Rosales National Park and Cruce Andino. The hotel's natural setting is unbeatable and surrounded by lakes, volcanoes, rivers, and fjords, in an area rich in natural resources and beautiful landscapes.

## LOCATION

Because AWA's physical and geographical position is unrivalled. Time, space and the elements all merge in this mystical far-off place, to ensure the ultimate disconnection from the stresses of daily life. Contrastingly though, access is rapid and direct. With Puerto Montt airport receiving over 15 daily flights from Santiago, 5 flights from Punta Arenas in the south and a boat ride away from Bariloche in Argentina, private transfers bring you from Puerto Montt or Petrohué directly to the hotel in 40 minutes.

## GASTRONOMY

Because our world class chef creates his own distinctive combination of local, national and international dishes whose fresh ingredients are sourced from our bio-intensive organic garden and the surrounding area. We provide a uniquely simple yet sophisticated menu which alters daily, where flavors, colors and textures abound and platefuls are plentiful.

## ACCOMODATION & SPA

Because at AWA we really want to pamper our guests: each room is stocked with its very own floor-to-ceiling spectacular view across the lake to Osorno, plus every luxury and comfort we can think of, including a wood burning stove, king size beds and deep bath tubs. Our Wellness Spa, complete with glass walled semi-Olympic pool and Jacuzzi, has a therapeutic sauna and steam room as well as a massage suite for an extensive range of holistic treatments.
